• **About the Speakers**

Juan Bendana has been speaking to students all over North America. He knows that teens are not the Leaders of Tomorrow, they are the **Leaders of Today**. Once they discover their true Leadership potential, they can make a significant impact on their school and the world around them *Now*. Juan shares practical Leadership strategies to be able to influence and impact people in school and in life. He helps students realize that true **Leadership is inside everyone**, then teaches them how to tap into that potential.

Jeff Gerber was the advisor for one of the largest and most impactful high school leadership programs in the province of Ontario. He is an engaging and experienced workshop presenter and speaker. From an early age when he convinced his entire kindergarten class to change their boots to the wrong feet to match his, Jeff has had a natural way of connecting with people and moving them to action. A genuine motivator, Jeff is always striving to learn more and do more. He is excited to be part of the Horizons and looks forward to meeting you and working alongside you to better your school community!

The Horizons Leadership Conference is a leadership opportunity provided and supported by the Canadian Student Leadership Association. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
