

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

### • **About the Speakers**

If you have never experienced the “**Alvin Law Effect!**”, get ready. The first impression is obvious... he has no arms! But chances are, it won't be what you remember. His fascinating story is one thing but the level of achievement this man has accomplished will challenge, inspire and affirm your own vision and journey and prove that you “can” achieve anything. Alvin believes and lives the most valuable lesson of all: “The world does not adapt to us. We adapt to it”. This will transform how we show up, giving us the greatest ability to succeed in everything we do. Be ready for change!

**Ian Tyson** takes a deep look into personal attitude and how it affects our day to day lives, especially as leaders. While not advocating blind optimism; Ian instead looks at a more complete understanding; that while life can throw us curve balls - everyone can get through it with perseverance and the right attitude. By citing humorous personal examples to overcome this, and giving hands on tips, Ian shows how letting go of negativity can really improve our outlook, all with an eye towards leadership. Capitalizing on his trademark style of storytelling with wit and wisdom intertwined, this presentation will leave audiences with a new mantra for life “Hooray For Everything!”

The Horizons Leadership Conference is a leadership opportunity provided and supported by the Canadian Student Leadership Association. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
