• *About the Speakers*

Nick Foley is the founder of Celebrate the Hero, Good Sport and the non-profit Move for Inclusion. Move for Inclusion took Nick on a coast to coast bike trip from Victoria BC to St John's, stopping at various locations to speak about Inclusion of all people without bias. On his ride Nick spoke to thousands of people on the importance of creating a culture of understanding and acceptance as well as raising money for charities. Nick is driven by the desire to perpetuate an environment of self-worth, acceptance, and empowerment in communities. Nick is the very proud father of beautiful Brynn and Welles from whom he has learned more than he ever thought imaginable. They have been, and continue to be the greatest teachers in his life.

Ryan Straschnitzki is a former Humboldt Bronco from the 2017-18 season, current Team Alberta para-ice hockey member and a hopeful for the 2026 Team Canada's para-ice hockey team. Currently he is attending physiotherapy for his dream of hopefully walking again someday. Ryan's journey has not been an easy one, he understands that each day is a battle not just physically but mentally as well. His dream is to one day live in a world where people with both mental and physical disabilities can have better qualities of life through adaptive sports, inexpensive rehabilitation needs and more social awareness for those who limit understanding of the life of someone with a disability.

The Horizons Leadership Conference is a leadership opportunity provided and supported by the Canadian Student Leadership Association. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
