REIGNITE: BUILDING RESILIENCE IN THE AGE OF BURNOUT

As we step back into the unfamiliar world post-pandemic, many organizations are understandably witnessing what burnout looks like. Emotional exhaustion, a lack of compassion, and an experience of futility have become common experiences for many teams. Dr. Jody has begun walking hundreds of organizations through the process of reconnection to combat burnout and build mental resilience. She has created specific strategies to shift culture, bringing hilarity and truth while reigniting purpose and productivity with this game-changing talk.

THE EDI JOURNEY STARTS IN THE CLASSROOM

As Leadership class advisors, we get to work with a diverse student population of our schools. With the multitude of faces that we see, we need to be mindful of the intersectionalities and social identities that these students bring to the classroom. Let's discuss the basics of Equity, Diversity, and Inclusion that will help shape the communities that we live in.
